Timber and Timber Products Regulated under the Convention for International Trade in Endangered Species (CITES)

International trade in timber and timber products is contributing to the endangerment of many species of trees. Therefore, trade in the timber and timber products from these threatened forest trees is regulated by CITES. Specific documentation requirements apply to the plants and both raw and processed products of the plants listed below. Shipments, either personal or commercial, must be properly documented in order to be authorized entry.

Common name(s)	Botanical name
Afrormosia Wood	*Pericopsis elata*
Ajo	*Caryocar costaricense*
Alani	*Melicope mucronulata*
Alerce, (Chilean False Larch), (Fitzroya)	*Fitzroya cupressoides*
Arbol del Barril	*Fouquieria fasciculata*
Big Leaf Mahogany	Swietenia macrophylla
Bariaco	*Trichilia triacantha*
Boojum Tree	*Fouquieria columnaris*
Brazilian Rosewood	*Dalbergia nigra*
Caribbean Mahogany	*Swietenia mahagoni*
Castano, (Chicote)	*Basiloxylon excelsum*
Cabana, (Honduras or Pacific Coast Mahogany)	*Swietenia humilis*
Cobana Negra	*Stahlia monosperma*
Commoner Lignum Vitae	*Guaicum officinale*
Cristobal	*Platymiscium pleiostachym*
Florida Torreya	*Torreya taxifolia*
Gavilan	*Oreomunnea (Engelhardia) pterocarpa*
Granadillo	*Platymiscium pleiostachym*
Guatemala Fir, (Pinabete)	*Aibes guatemalensis*
Guayacan	*Guaiacum sanctum*
Hinckley's Oak, (Hollywood Lignum Vitae)	*Quercus hinckleyi*
Monkey-Puzzle Tree	*Araucaria araucana*
Monteromo, (Parlatore's Podocarp)	*Podocarpus parlatorei*
Palo Colorado	*Ternstroemia luquillensis*
Palo de Jazmin	*Styrax portoricensis*
Palo de Ramon	*Banara vanderbiltii*
Puerto Rican Manae	*Calyptronoma rivalis*
Santa Cruz Cypress	*Cupressus abramsiana*
Vahl's Boxwood	*Buxus vahlii*
Virginia Round-leaf Birch	*Betula uber*
