Riverdale, MD 20737-1238

Gentlemen:

Because of the devastating effect BSE would have on the American Livestock Industry and danger to our citizens, I strongly urge that the Canadian border not be opened to livestock without a lot of further study and investigation.

I am a rancher and have been raising high quality cattle for many years.

Sincerely,

Regina Iversen
21607 Cactus Place
Fort Pierre, SD 57532
